RE: File No. 7599 – Fletcher Maynard Academy Roof Replacement - Addendum No.1

The following question was asked and answered:

Question: I see that you are requesting general bids from Contractors which are certified in General Building Construction. Are you not looking for filed sub-bids for this project? Is there a possibility of changing the DCAMM Cert. requirement to Roofing?

Answer: There are not any filed sub-bids for this project. The DCAMM Category for this project is changed from General Building Construction to Roofing. Only DCAMM certification in Roofing will be accepted.

All other details remain the same.
